

## **Crown & Bridge Warranty**

At the Habersham Dental Group (including Islands Family Dental and Richmond Hill Dental), we stand behind the quality of our work and are proud to offer a warranty on your new crown or bridge.

### **Our Warranty Coverage**

We will replace your crown or bridge at no cost to you under the following conditions:

- Breakage or chipping: Covered for 5 years from the date of placement.
- Decay involving the crown or bridge: Covered for 2 years from the date of placement.

### **Maintaining Your Warranty**

To keep your warranty active, we require the following:

- Routine dental cleanings at our office at least once every six months.
- Fluoride treatments performed at each hygiene visit for the first two years following crown or bridge placement (mandatory).
- Compliance with recommended preventive care, such as more frequent cleanings if advised by your dentist or hygienist.

**\*\*This warranty is our way of showing our commitment to your long-term oral health and confidence in the dental care you receive.**

If you have any questions about your coverage or care instructions, please don't hesitate to ask our team.
